OWNER’S AGREEMENT

PROJECT NAME: __________________________________________________

PROJECT LOCATION: _______________________________________________

MSD PROJECT #: __________________________________________________

ALLOCATION #: __________________________________________________

PIN#: ____________________________________________________________

NOTE: This agreement must be executed and returned to MSD as part of the plan submittal package. Plan approval will not be issued until a fully executed agreement is on file with the Planning and Development/Engineering department as part of the project file. Copies of all correspondence will be forwarded to the party signing this agreement.

I ________________________, hereby certify that I am the project owner and the party contractually obligated for all costs associated with installation of the sewer system. This includes the acquisition of any and all on-site and off-site sewer easements that may be required and all other required documentation to complete sewer system transfer to MSD. Construction of and documentation for said sewer system will be provided in accordance with prevailing MSD standards and specifications for developer constructed sewer systems. Issuance of building permits for this project will require evidence of approval by MSD. **A certificate of occupancy will not be issued until the following MSD requirements have been satisfied.**

1. As-built drawings
2. Easement/System transfer documents
3. Engineer’s certification
4. Contractor’s certification
5. MSD inspection approval

By my signature below, I acknowledge and agree to the terms outlined in this Owner’s Agreement.

This the ________ day of ______________, 20_____.
