OF BUNCOMBE COUNTY, NORTH CAROLINA

## **CHRISTIAN CREEK INTERCEPTOR SANITARY SEWER REHABILITATION**

This notice is provided to inform you that the Metropolitan Sewerage District (MSD) has hired a contractor (Buckeye Bridge, LLC) to replace approximately 12,226 linear feet of the existing public sewer line along Christian Creek, between US Hwy 70 and I-40, east of Asheville. This work is necessary due to problems that have been experienced with the subject sewer line.

The approximate location for the sewer project is noted in red on the attached map. Work on the sewer project is expected to begin on or near March 14, 2022. The work will include the replacement of the existing sewer main with new sewer main piping and re-connection of the existing service lines from adjacent structures to the new main.

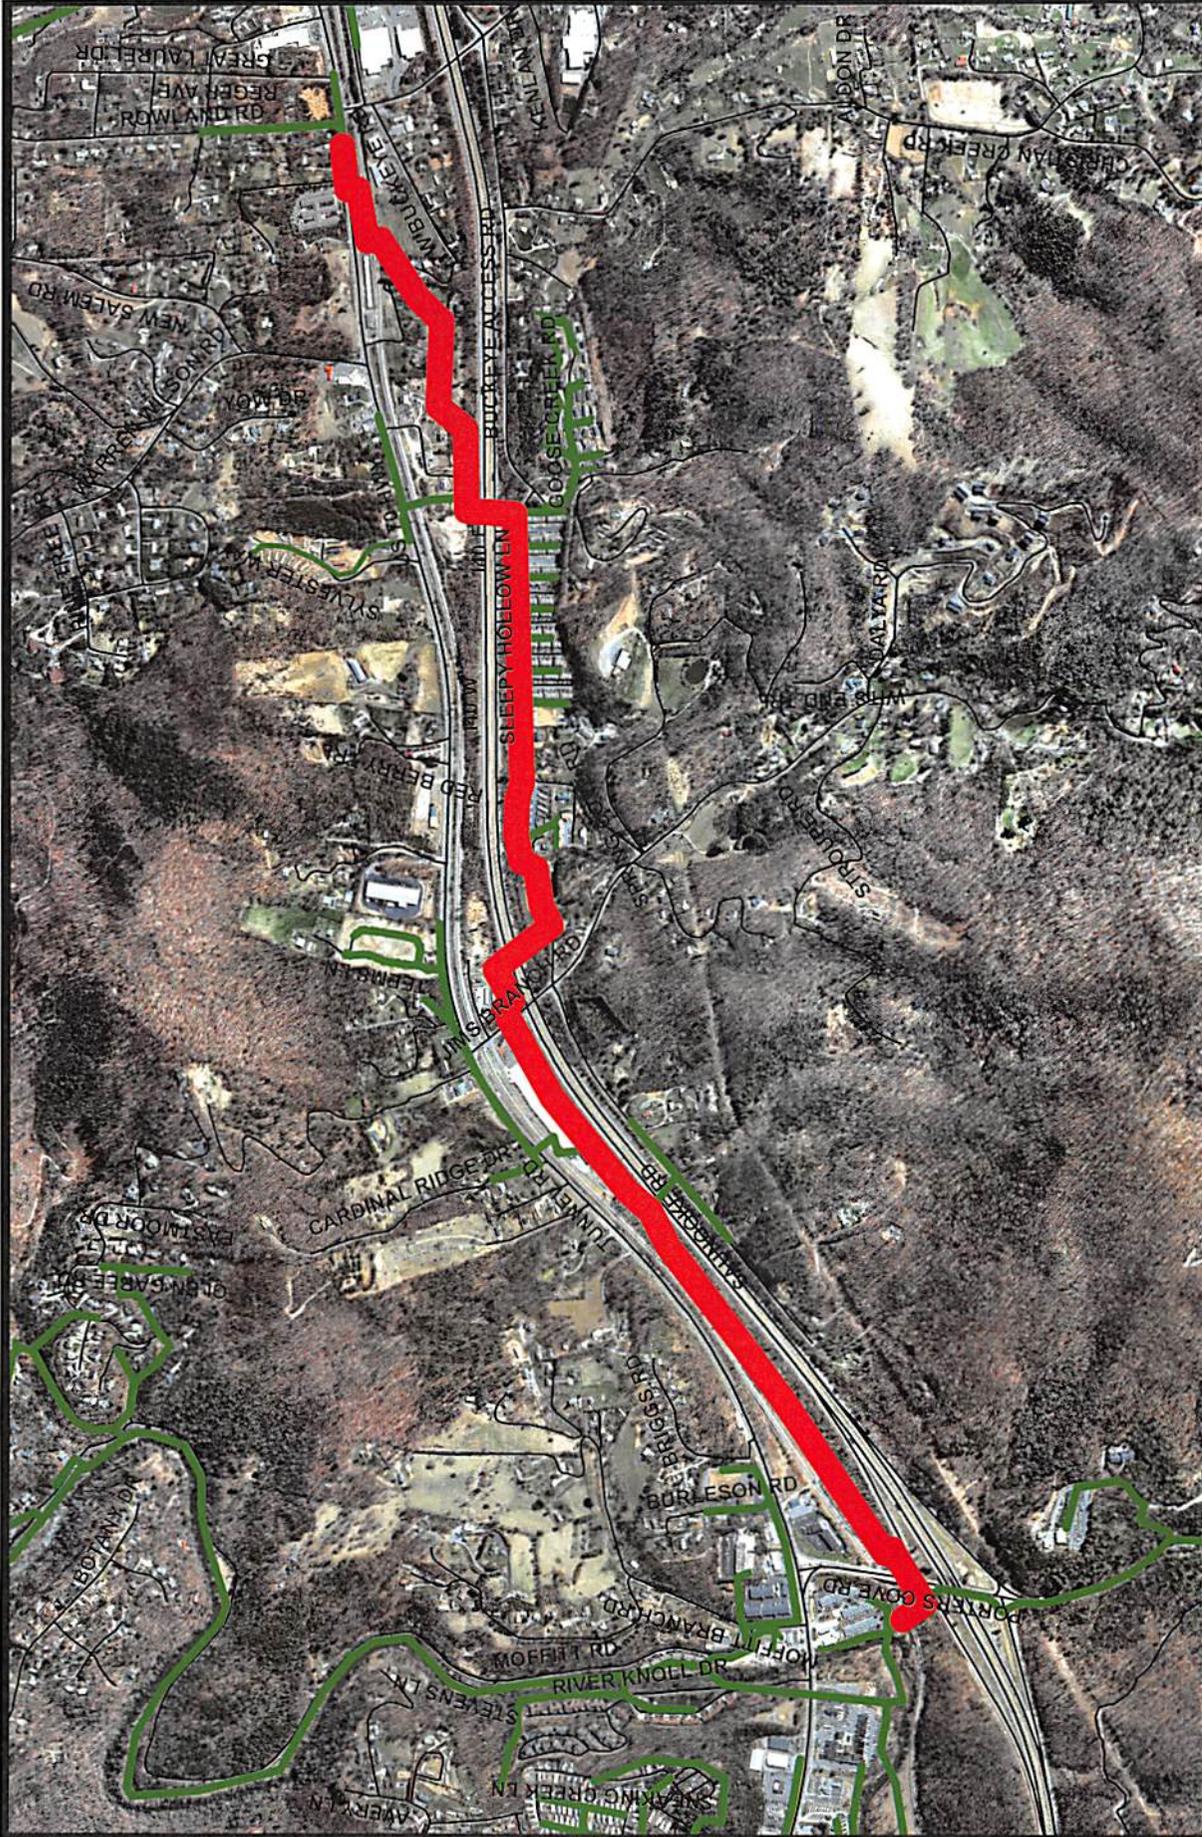

The construction crew performing this work will make the inconvenience to you as minimal as possible and will proceed with the work tasks in a timely manner. The anticipated work time is 480 consecutive calendar days depending on weather and other factors. After the work is complete, all areas affected will be restored.

If you have any questions, please feel free to contact one of the following:

- Mike Presley (MSD Inspections Manager) at 828-768-0204
- Mike Stamey (MSD Construction Director) at 828-225-8262

Thank you for your patience while we work to improve sewer service in your area.
