Lining Contract No. 10
MSD Project No. 2024035

ADDENDUM NUMBER 2

BID DATE: Thursday, July 30, 2026 at 2:30 PM

TO ALL BIDDERS:

This Addendum Number 2 is being sent to all parties showing interest for the above listed project. Please be advised of following:

Modification to the Contract Documents:

1. The NC 2026 Appropriations Act, which became law as Session Law 2026-41 on July 7, 2026, eliminated the Office of Historically Underutilized Businesses ("the HUB Office"), repealed HUB-related statutes, and struck references to minority participation in public contracts throughout the North Carolina General Statutes. **Therefore, the Minority Business Enterprises "MBE" requirements in the Contract Documents are removed as follows:**
 - a. Section VII, *Minority Business Enterprises*: Delete Section VII in its entirety.
 - b. Section III, *Instruction to Bidders*, Article II, *Filing of Proposals*: Delete the final sentence: "Attached to the proposal shall be the appropriate MBE form(s)."
 - c. Table of Contents: Delete "VII Minority Business Enterprise."

Project Clarifications:

1. CIPP thickness calculations shall be completed according to the specifications stated within Addendum No. 1, and with the project Soil Height and Ground Water Height as follows:
 - a. 6-inch pipe, height = 6 feet
 - b. 8-inch pipe, height = 16 feet
 - c. 10-inch pipe, height = 20 feet
 - d. 12-inch pipe, height = 11 feet
 - e. 15-inch pipe, height = 8 feet
 - f. 27-inch pipe, height = 18 feet
2. Approximate flow data on the 27-inch segment to be lined is ~1.75 mgd ADF
3. The Alternate Bid Item 1 on the bid form is intended to give a comparison on cost to line item MP-6.03 SERVICE RECONNECTION PER REMOTE CUT METHOD. The Alternate Bid Item will still require a remote cut method but shall also include a lateral liner with an assumed 10-15ft lateral length. The Alternate Bid Item 2 on the bid form is for the installation of a new cleanout assembly, if needed, for lateral liner purposes. The Alternate Bid Items should NOT be included in the TOTAL WRITTEN BID PRICE.
